The Appalachian Ministry Deputy Director, Phyllis Johnson, is asking to start collecting coats of all sizes for children, women and men. They can be put in the Mission Box or taken to 746 Lake Joy Road.

September 16th is the beginning of the season of prayer and offering for State Missions. Thanks to last year's contributions, State Missions were able to reduce the lostness in Georgia through the following:

- 1.) the Georgia Baptist Mission Board tents were actively used for evangelistic events all over Georgia.
- 2.) In 2017, over 500 pastors were encouraged and equipped for local evangelism through the REACH Evangelism Conference and other events.
- 3.) Through The Big Invite Easter Promotion over 1,000 churches committed to inviting one million Georgians to Easter services in Georgia Baptist churches.
- 4.) Over 1000 decisions for Christ were made among the attendees at the evangelism-focused youth event MOVE and the SuperWow and Impact summer events.
- 5.) A total of 33,573 students were impacted through Baptist Collegiate Ministries on 47 campuses in Georgia.

These are just a few examples of how our support with prayers and offerings touch all generations with God's Good News across our state.

*Psalms (NASB)* I will give thanks to You, for I am fearfully and wonderfully made; Wonderful are Your works, And my soul knows it very well.

To The Beloved at Bonaire FBC,

Greetings in the name of our Lord and Savior Jesus Christ. I pray that you have had a good summer.

Recently I sent out an email telling you that we are about to enhance our presence on social media. The church already has a Facebook page, but we have not utilized it to its best potential. We are about to correct this situation. In just a few weeks, after all the preparations and training are complete, we will launch this campaign.

Now I know that I have been critical of social media - I still am. The majority of what is on there is not good. However, seven out of ten people are on social media (e.g. Facebook and Instagram) and so there is potential to use it for good. As in most material or temporal things the sin is not in the medium itself—it is in the people who use and abuse it.

I want to assure you that we are determined that our page will be a vehicle for encouragement and joy. I want to encourage all of you as individuals to use this medium in the same way. Remember before you post or share anything ask yourself “will this glorify GOD or am I trying to impress people with me?”

So, be much in prayer as this new outreach begins October 1st.

Yours In Christ,

Kenny

“What comes into our minds when we think about GOD is the most important thing about us.”

The phone rang at 2 a.m. Hubby rolled over and said to the wife, “It’s probably for you.”

She got up and went to the living room. In a few seconds she was back. “It wasn’t for me,” she said and resumed sleeping.

Hubby groaned and rolled out. Stumbling to the front room, he found the phone hanging in its cradle. Puzzled, he headed back to the bedroom. Wife explained, “It wasn’t for you either. It was a wrong number.”
